PROFESSIONAL SUMMARY

I am a front-end developer with over 1 year of experience. I am passionate about designing engaging and user-friendly web applications. I have a keen eye for design and a commitment to improving user experiences. I have experience in responsive design and cross-browser compatibility. I am skilled at collaborating with cross-functional teams to deliver high-quality projects within deadlines. I am looking to develop my skills to become a Full-Stack using Node.js and also developing myself in WordPress.
