

# MOHAMED ATTIA MORAD

Front-End Developer (React JS)

## About Me

I am a Frontend Developer with a passion for designing engaging, user-friendly web applications. Proficient in HTML, CSS, Bootstrap, JavaScript, Next.js, TypeScript and React. Experienced in responsive design, cross-browser compatibility, and front-end frameworks such as React. Skilled at collaborating with cross-functional teams to deliver high-quality projects within deadlines.

## Experience
