---

## PROFESSIONAL SUMMARY

I am a Frontend Developer with a passion for designing engaging, user-friendly web applications. Proficient in HTML, CSS, Bootstrap, JavaScript and React, with a keen eye for design and a commitment to improving user experiences. Experienced in responsive design, cross-browser compatibility, and front-end frameworks such as React. Skilled at collaborating with cross-functional teams to deliver high-quality projects within deadlines.

## WORK EXPERIENCE

### IT.RENADMADI

Jun 2024 – Present

- Collaborated with design and backend teams to implement user-friendly features and enhance user experience.
- Developed responsive user interfaces for web applications using HTML, CSS, JavaScript and React.

### Ultra-Progress

Mar 2024 – Jun 2024

- I worked with team remotely to build up couple of web pages.
- Implemented responsive layouts using HTML, CSS, Bootstrap and JavaScript.
